

Attention fellow FDLP Librarians! If you are going to the [ALA Annual 2009 Conference in Chicago](#) next week, please come to the [ALA Unconference](#) where I will be leading a broad discussion on Friday, July 10th from 11:10-12:00 on the library's role in current & emerging trends of civic engagement, transparency, preservation and access to Government information. The supporting materials and presentation will be linked in the Unconference [wiki](#).

Also, please come to the [LITA BIGWIG Social Software Showcase](#) to discuss and learn about Government Information Mashups! I will be presenting on this topic and would love to have you help out and/or join in on the conversation! The presentation will be posted on their [website](#) but the face to face portion of the BIGWIG Showcase presentations will take place Monday, July 13th from 10:30am - 12:30pm in the McCormick Convention Center West, Room W-184.

Be sure to check out the presentation "[Libraries and Obama's Information Policy](#)" featuring Jim Jacobs, co-creator of FreeGovInfo.info.

And of course, a listing of all the GODORT sponsored presentations and meetings are listed at the [GODORT Wiki](#).
